

Diversey

Good Sense[®] Automatic Spray System

Concentrated aerosol technology that delivers a dry and fine mist of odor counteractant resulting in long-lasting action against malodors.

Effective

- Continuously freshens air anywhere odors are present
- Delivers a fine dry mist of odor counteractant resulting in longer lasting odor control
- Lasts 30 days or more
- Efficient against tobacco, mold and mildew odors and other washroom malodors

Easy-to-Use

- Multiple delay settings are available to customize operations
- Use anywhere you need to control unwanted odors

Good Sense[®] Automatic Spray System

Use Directions

- Mount unit to the wall in an area where odor control is needed.
- Insert tip of refill cartridge into nozzle inside the dispenser cover.
- Slide base of the refill into place slightly sideways, and twist refill to align it into slot.
- Press the Reset button inside the dispenser.
- Place the cover back on the back plate.

04806	 	4 Dispensers/case (8 AA batteries included)	

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
