

# Hands

## No soap, no sink? No problem!

Hands Instant Sanitizing Wipes are highly recommended prior to handling, preparing, or eating food when soap and water are not readily available. They are proven more effective than gels because the wiping action helps remove soil from hands. Hands Instant Sanitizing Wipes are FDA food code compliant and gentle on hands - hypoallergenic with moisturizing aloe, fragrance-free and dye-free.

<b>Ideal for use by:</b>								
<b>Where to use:</b>	<b>Restaurants/ Back of House</b> <ul style="list-style-type: none"> <li>• When returning from restroom</li> <li>• Before and after handling or preparing food</li> </ul>		<b>Restaurants/ Front of House</b> <ul style="list-style-type: none"> <li>• Hostess station</li> <li>• Lobby</li> <li>• Take-out window</li> </ul>		<b>Misc/General</b> <ul style="list-style-type: none"> <li>• After coughing or sneezing</li> <li>• After contact with others</li> <li>• Before eating</li> <li>• Baby changing stations</li> <li>• After using restroom</li> </ul>			
<b>Active ingredient:</b>	<p>65.9% Alcohol Ethanol (by volume)</p>
