description

Tork Universal Roll Towels are soft, strong, and highly absorbent offering the perfect combination of quality, performance, and value. Embossing enhances hand feel and maximum absorbency, fewer towels used per hand dry. Roll towel performance provides source reduction and less packaging. Long lasting rolls minimize maintenance costs while maximizing service. Towels are made from 100% recycled fiber and a minimum of 40% Post Consumer fiber providing environmental benefits, and a positive image builder. ECOLOGO® Certified. Compostable Verified by Independent Verification.
