

Victoria Bay

Quality products for everyday needs.

18% High Speed Floor Finish

DESCRIPTION

A simplified floor finish that provides you with a superior high gloss finish that is extremely tough and durable. 18% High Speed Floor Finish is self sealing so less products are needed to provide a superior wet look gloss. Formulated to respond to low, high, and ultra high speed maintenance techniques.

If using 18% High Speed Floor Finish on concrete, terrazzo, marble, or granite: It is recommended that two coats of a sealer be used to seal floor, followed by 3 coats of finish.

Please read entire container label for detailed instructions and safety information.
