

The proven all-purpose performer

Big City®

Heavy Duty Versatility

Blended Recycled and Linear Low Density – LLDPE

- High-quality blend of virgin LLDPE and recycled content –10% post-consumer waste in black liners 1 MIL and above
- Ideal for heavy-duty applications, including sharp, heavy and irregular waste
- Exceptional strength with good puncture and tear resistance
- Wide range of sizes in extra heavy-duty gauges up to 2.7 MIL
- Available in Black or Clear

A versatile performer with the recycled advantage—that's Big City®. This cost-effective liner is made with an exclusive mix of recycled material and high-quality linear low-density resins. The result: Big City black liners 1 MIL and above meet or exceed EPA guidelines for post-consumer waste, while providing the strength and thickness needed for heavy-duty applications.
