one²four®

one size, two packages, four possibilities

1 stackable footprint, 2 platters and matching interchangeable lids. 4 possibilities for all of your hot and cold appetizer, entrée, side and dessert needs. Polypropylene bases and anti-fogging lids are microwavable and withstand temperatures up to 230°F. These oval platters are 11" in length, and include a leak resistant closure system. Dual vents help to maintain the crispness and texture of foods.
