

Disinfectant Spray Cleaner RTU

DESCRIPTION

This product is designed specifically as a general non-acid ready-to-use non-abrasive cleaner and disinfectant for use in hospitals, nursing homes, locker rooms, public restrooms, schools, office buildings, manufacturing facilities, lodging establishments, and athlete/recreational facilities. In addition, this product deodorizes those areas that generally are hard to keep fresh smelling, such as restrooms and other areas which are prone to odors caused by microorganisms.

Please read entire container label for detailed instructions and safety information.

DIRECTIONS

DISINFECTION, DEODORIZING AND CLEANING - Remove gross filth or heavy soil prior to application of the product. Hold container six to eight inches from surface to be treated. Spray area until it is covered with the solution. Allow product to penetrate and the surface to remain wet for **3 minutes** (for Bloodborne Pathogens: allow surface to remain wet for HIV-1 **1 minute** and for HBV and HCV **5 minutes**). No scrubbing is necessary. Wipe off with a clean cloth, mop or sponge. The product will not leave grit or soap scum.

One-step cleaning and disinfection of toilet bowls and urinals: Remove water from bowl by forcing water over trap with a swab mop applicator. Press swab mop against side of the bowl to remove excess water from applicator. Apply 1 to 2 ounces of this product evenly, allowing sufficient time for product to cover entire surface of bowl for maximum cleaning. Swab bowl completely using a scrub brush or toilet mop, making sure to get under the rim. Let stand for **3 minutes** (for Bloodborne Pathogens: allow surface to remain wet for HIV-1 **1 minute** and HBV and HCV **5 minutes**) and flush.

Using approved AOAC test methods in the presence of 5% blood serum and a **3 minute** contact time, unless otherwise noted, this product kills the following organisms on hard non-porous inanimate surfaces:

FEATURES

- Effective against a wide variety of pathogenic microorganisms
- Non-Acid formula
- EPA registered disinfectant
