

Envision® Hardwound Roll Towel (2" Core)

Economy, EPA compliant, high capacity, brown hardwound roll towels with larger more versatile 2 inch cores.

Description:

These roll towels are designed with larger diameter 2 inch cores to fit into a wide range of hardwound roll towel dispensers. Envision® high capacity economical brown hardwound everyday roll towels help you keep costs under control. Low per-unit costs makes these towels the affordable choice for high-traffic areas such as washrooms in government and public facilities, office buildings, foodservice facilities and lodging. Envision® hardwound roll towels meet or exceed EPA guidelines for minimum post consumer recycled fiber content and let you offer your customers reliable performance at a low cost.

Features & Benefits:

- » 800 foot rolls offers labor savings and reduced risk of run-out for customer satisfaction
- » Convenient 6-roll case is easier to handle and store
- » Larger diameter 2 inch core fits most high capacity universal towel dispensers
- » Contains at least 40% Recycled Fiber. Meets or Exceeds EPA Comprehensive Procurement Guidelines.
- » Processed Chlorine Free® Certified
- » Can help earn LEED credits
