

optiSERV®

Rugged Reliability for High-Traffic Washrooms

OptiServ® 76700

The OptiServ® hands-free dispensing system offers the hygiene of hands-free dispensing without the need for batteries. Metered dispensing discourages waste and controls cost. The OptiServ® is easy to use and accommodates up to 1,000 feet of toweling, making it ideal for high-traffic facilities where cleanliness is essential.

Controlled-Use Dispensing

Each pull of the exposed towel dispenses and cuts a single 11-inch towel to discourage waste and control cost. A locking cover prevents pilferage.
