## Surge Bio Active II Laundry Detergent

### DESCRIPTION

This detergent contains a unique blend of synthetic surfactants that quickly and effectively lifts and suspends soils. Enzymes effectively attack and remove blood, grass, and food soils. This phosphate-free detergent provides superior performance in a wide variety of water conditions and leaves no alkaline residue eliminating possible irritation to sensitive skin. This versatile detergent may be used alone or in conjunction with a builder or break. It works perfectly in a variety of wash formulas. Easily dispensed through automatic equipment or hand measured, this detergent is the right product for every load.

Please read entire container label for detailed instructions and safety information.
