

Deb® InstantFOAM™ FREE

(Dye & Perfume Free)

Instant Hand Sanitizer

Usage: Ideal for use outside the washroom to provide hand hygiene at the work-point or on the move.

Method of Use: Apply direct to clean hands and rub across all areas of the hands for 20-30 seconds, until dry.

Features & Benefits

Superior Formulation – A high-quality formula providing effective sanitizing without drying out the skin.

Instant Foaming – Foams instantly, spreading product quicker and more effectively.

Hygienic – Ultrasonically sealed cartridges prevent the ingress of bacteria. Use with Deb dispensing systems.

Saves Water – Instant foam lather can be applied direct to dry hands before rinsing, saving approximately 45% of water consumption.*

Caring – Contains a number of skin conditioners to prevent drying of the skin.

Highly Economical – Provides over 1400/2800 hand washes from each 1 liter / 2 liter cartridge.

Properties – A biodegradable product that is mild on the skin; one step hand sanitizing without alcohol.

Effective – Only a small amount is needed to provide effective skin sanitizing.
