

enMotion® Automated Touchless Sanitizer Dispenser

enMotion automated touchless soap dispenser with rich, luxurious foam soaps and stylish design offers guests the ultimate in hands-free hand washing.

Item Description:

Just one wave under the enMotion® automated touchless soap dispenser with its rich, luxurious foam soaps and stylish design and you too, will experience a triumph of engineering and innovation. Featuring a closed hygienic system that houses pump, bag and nozzle and adjustable 0.4 or 0.7 ml dispensing settings for portion control. Maintenance is a breeze with a sight window allowing for quick check of soap level and an on/off switch for maintenance or cleaning. Choose either key lock or push button to open the dispenser. *Only available for lease with GP or authorized distributor.

Features & Benefits:

- » Automated touchless dispensing improves hygiene & minimizes the risk of cross-contamination
- » Closed hygienic system houses pump, bag and nozzle
- » Adjustable portion control – choose 0.4 or 0.7ml
- » Meets ADA Guidelines with slim design protrudes less than 4" from wall
- » Features a maintenance on/off switch, which makes cleaning easy
- » Operates on long-lasting 4 D-cell alkaline batteries
- » Mounting bracket and double sided tape included
