

BESTSCENT™

Air Odor Eliminators

Best Scent's Two Phase Odor Control. First, Neutrabond™ technology chemically bonds to microscopic malodor particles neutralizing the air malodor completely. Then specially blended fragrances freshen the indoor environment.

Uses

- Education
- Building Service Contractors
- Healthcare
- Lodging
- Professional Office
- Restaurant dining rooms/lavatories
- Retail

Features

The following Best Scent™ Odor Eliminators are available:

- **Smoke and Odor Eliminator** - eliminates cigarette smoke and burnt odors from the air. "Spring Renewal" scent leaves the room with an invigorating fresh scent.
- **Ocean Breeze** - excellent all purpose air odor eliminator, especially effective in stale, mildew environments.
- **Green Earth®** - An excellent all purpose air odor eliminator - specially blended natural ingredients leave an outdoor fresh scent.
- All Best Scent products are low VOC formulations and contain no ozone depleting substances.
- Ultra fine particles produce an extremely dry spray with no product fallout and no residue.
