Good Sense[®]
Air Freshener

Good Sense[®] fast acting air fresheners are Nitrogen propelled and made up of a unique water-based formula. Available in 2 robust scents that leave rooms refreshed in an instant.

Features

- Atomized mist travels quickly and instantly freshens air anywhere odors are present
- Available in 2 inviting fragrances
- Rids areas of the toughest odors including smoke and garbage

Benefits

- Water based formula contains no CFCs, chlorinated solvents or ozone depleting chemicals
- Long lasting premium fragrance
- Highly concentrated ready-to-use aerosol for easy and cost effective air rejuvenation
- Will not stain or leave residue
- Available in a large aerosol can for frequent use in high traffic areas

Applications

- Use where malodors are present
- For daily use in Foodservice, Healthcare, Education, Retail and Lodging

Use Directions

Aerosol Can:

- Shake well before using. Point up toward center of room. Press button and spray in side to side sweeping motion.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
