Freeze/thaw	Freeze/thaw stable
pH concentrate6 - 8
pH diluted6 - 8
Foaming	Moderate
Wetting	Excellent
Rinsability	Excellent

Safety

Keep out of reach of children. For institutional and commercial use. **DANGER:** Corrosive. Causes irreversible eye damage. Causes skin burns. Harmful if swallowed or inhaled. Do not get in eyes, on skin or on clothing. Wear eye protection (goggles, safety glasses with side shields, or face shield). Wear coveralls worn over long-sleeved shirt and long pants, chemical resistant gloves, socks, and chemical resistant footwear. Avoid contamination of food. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing, and wash clothing before reuse. **FIRST AID: IF IN EYES:** Hold eye open. Rinse gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor immediately for treatment advice. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing immediately. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF INHALED:** Move victim to fresh air. If not breathing, call 911 or an ambulance, then, give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

Directions For Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

At 2 oz. per gallon of water (1:64), this product can be used as a limited disinfectant in the following areas: Day Care Centers, Office Buildings, Exercise Facilities, Schools, Nurseries, Athletic Facilities, Airports, Cruise Ships, Casinos, Colleges, Correctional Facilities, Hotels, Motels, and Public Restrooms. This product can be used on the following washable, hard, inanimate, non-porous surfaces: Chairs, desks, floors, tables, walls and windows. Disinfectant: At a dilution of 2 oz. per gallon of water (1:64), 200 ppm hard water in the presence of 5% organic soil load this product is effective against gram positive bacteria only. This product kills Staphylococcus aureus, Enterococcus faecalis Vancomycin Resistant (VRE), Community Acquired Methicillin Resistant Staphylococcus aureus - (CA-MRSA) (USA 400), Staphylococcus aureus Methicillin Resistant (MRSA).

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is not for use in residential settings. This product contains hydrogen peroxide. This product must not be mixed or stored with products containing ammonia, bleach, or other oxidizing agents. Contact with metals, metal ions, wood dust, or wood shavings may cause product decomposition.

CLEANING / DISINFECTION / DEODORIZING DIRECTIONS: For Cleaning, deodorizing and disinfecting, dilute 2 oz. of concentrate per gallon of water (1:64). Cleaning may be accomplished with a clean mop, sponge, squeegee, wet vacuum system or a trigger spraying device. Spray 6 - 8 inches from the surface to be treated, thoroughly wetting the surface. After cleaning, remove suspended soils with a clear water rinse, vacuum pick up, or by wiping with a clean mop, sponge, squeegee, or cloth or allow to air dry. Do not breathe spray. Prepare a fresh solution for each use, sooner if the solution becomes visibly diluted or soiled. Allow surfaces to remain wet for 10 minutes.

TO CLEAN TOILET BOWLS / URINALS: Swab bowl with brush to remove heavy soil prior to cleaning. Clean by applying use-solution around the bowl and up under the rim. Stubborn stains may require brushing. Pour in 2 oz. of the use-solution. Swab the bowl completely using a scrub brush or mop, making sure to get under rim. Let stand for 10 minutes. Rinse by flushing.

GLASS CLEANING: Dilute 1 oz. of product per gallon of water. Spray onto glass surface. Use through a coarse hand pump trigger sprayer device. Do not breathe spray. Wipe dry with an absorbent cloth or towel.
