

# MK INTENSIVE CLEANER

**FORMULATED TO CLEAN HEAVILY SOILED MARBLE, GRANITE, NATURAL STONE AND GROUT**

- Cleans deeply into stone and grout
- Dissolves grime and stains
- Fast penetrating action
- Works indoors and outdoors

**MK Intensive Cleaner** penetrates deeply into dirt, grease, oil and stubborn grime. The penetrating action works quickly to dissolve dirt and grime that accumulates in hard to clean

porous stone surfaces, which can then be easily rinsed away. **USAGE:**

**MK Intensive Cleaner** can be safely used on

natural stone, polished marble, travertine, filled and unfilled saturnia, shell stone, tumbled marble, limestone, saltillo tile, slate, ceramic tile, grout, pavers, cast stone, concrete, stucco and roof tiles.
