CREWMAN™

Dust Control 20" Battery Burnisher

Features highly effective dust control, quiet operation, and sealed maintenance free batteries for a cleaner and healthier environment.

CREWMAN™

Dust Control 20" Battery Burnisher

Easy access to change floor pad

Floating shroud prevents dust from escaping into the air

Features an onboard charger and maintenance free batteries

For a cleaner environment and the highest level of performance, choose the Crewman Dust Control Battery Burnisher. The 2000 RPM direct drive motor delivers the highest level of shine and consistent response on all floor types. Primary features include **sealed maintenance free batteries, on-board charger, passive dust control system, adjustable pad pressure, and a reusable cloth dust bag.** Its compact size and easy operation make it perfect for use in schools, hospitals, and retail environments.
