Directions For Use

Read the entire label before using this product. This product is for cleaning glass, windows, mirrors, plastic, Plexiglas® and a variety of other water washable surfaces. Dilute 2 oz./gal. or 16 mL/L (1:64) with cold water. Spray glass cleaner on surface to be cleaned and wipe with a lint-free towel or squeegee.

Safety

Keep out of reach of children. For institutional and commercial use. SKIN AND EYE IRRITANT. MAY CAUSE RESPIRATORY IRRITATION. **CAUTION:** Avoid contact with skin and eyes. Wear safety glasses and suitable gloves. **FIRST AID:** If splashed on skin or in eyes, flush with large quantities of water for 15 minutes. If inhaled, get to fresh air. If breathing is difficult, give oxygen. If swallowed, do not induce vomiting. Call a physician immediately.

Improper use or dilution may result in damage to surfaces and may increase the risk of health effects.
