

# Foodservice Wipers

**Hygienic. Efficient. Durable.**

# Perfectly Suited for a Range of Foodservice Environments

Tork® Foodservice Wipers are color-coded to help reduce cross-contamination and improve efficiency. Durable and versatile, these high-performance wipers are designed to handle a range of front-of-house to back-of-house tasks from routine table wiping to the toughest kitchen clean-ups.

Offering wipers from three quality tiers:

## NEW Tork Premium

Highest quality foodservice cloths include technology to clean the toughest stains and reduce contamination.

- **MICROBAN®** technology – protects to inhibit growth of odor causing bacteria, mold and mildew.
- **Quat-Safe™** technology – prolongs the life of sanitizing solution allowing for cleaner surfaces and reduced risk of contamination.

## IMPROVED Tork Advanced

Cloth-like, general purpose foodservice towels now include large apertures that pick up particles and rinse easily. They meet requirements for most front- and back-of-house foodservice tasks.

## IMPROVED Tork Universal

This bussing wiper now has improved fabric quality and color. It is perfect for quick surface cleaning such as table and counter cleaning.

# New! Tork Premium Foodservice Cloths

## TORK Cloth with MICROBAN®

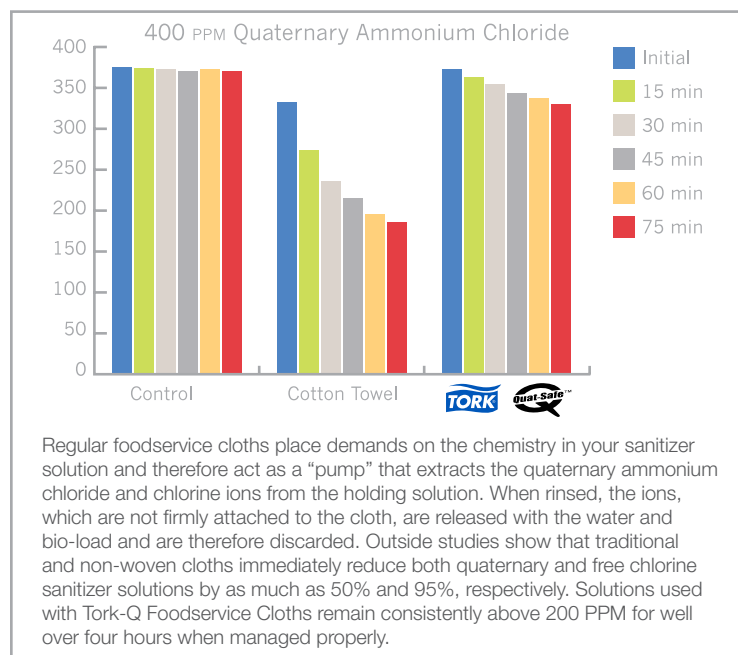

- Apertures that pick up particles and rinse easily
- Stain resistance keeps wipers looking clean
- Machine washable for reuse

## TORK Quat-Safe™ Cloths

- Cloth contains Microban
- Life of the sanitizing solution is extended
- Sanitizer is more effectively released onto the surface
- Cross-contamination reduced with extra protection

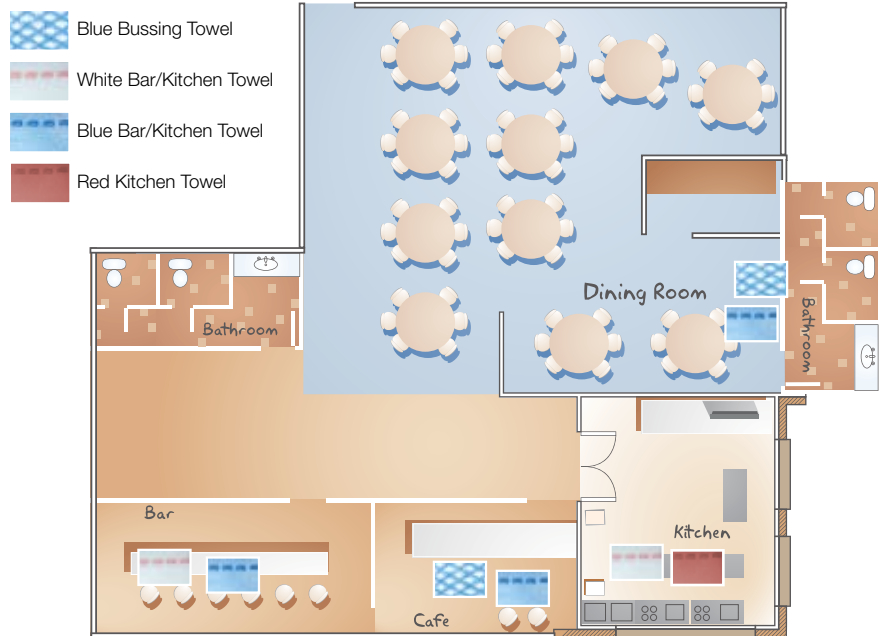

## Tork Premium Cloths

- **Non-woven** fabric is low-linting
- **Versatile** cloths can be used for many different wiping tasks including: high volume areas, kitchen, deli areas, service and utility areas, food prep, tables, counters and more
- **Durable** fabric is washable, reusable and strong enough to tackle tough wiping jobs
- **Absorbent** cloths pick up liquids and spills better than linen
- **Convenient** packaging helps to control inventory and cost-in-use

# Foodservice Environment

Color-coded Tork Foodservice Wipers help employees quickly identify the correct wiper for the location of use and task at hand. What's more, color-coded wipers help reduce the risk of cross-contamination.
