

**® Jumbo Jr. Bathroom Tissue Dispenser with Stub Roll Feature & Mandrel**

**Description:**

This durable, high-capacity VISTA 9" jumbo bath tissue dispenser holds one roll up to 10.625" in diameter plus one 5" diameter stub roll-the equivalent of 6.7 rolls of standard 2-ply tissue. Our stub roll feature reduces waste by restricting access to the second (stub) roll before the main roll is completely used up. Our patented Easy Turn Mandrel delivers smooth dispensing without tabbing. An attractive see-through color complements any decor. This covered, key-lock design protects against waste as well as pilferage while making refilling rolls quick and easy.

**Features & Benefits:**

- » High-impact plastic construction holds one roll up to 10.625" in diameter (the equivalent of 6.7 rolls of standard 2-ply tissue) for continuous service
- » Stub-roll feature reduces waste by restricting access to the second roll before the main roll is used up
- » See-Through doors reduces labor costs by enabling at-a-glance monitoring of paper supply
