

ODOR SORB

ODOR ELIMINATOR

ODOR SORB is a highly effective deodorant/malodor absorber that totally eliminates odors on contact. Odor causing materials such as ammonia, fish, onion, garlic, sulfur, and smoke are effectively controlled with **ODOR SORB**.

ODOR SORB is especially effective on textiles such as carpets, upholstery, draperies, bedding, clothing, and auto interiors. Unlike other leading consumer brands of fabric odor absorbing products, once the odor is absorbed, it will not release even after drying. **ODOR SORB** outperforms flammable solvent-based deodorizers which only mask odors and can be hazardous to the user.

Where can **ODOR SORB** be used?

Its excellent odor absorbing properties makes **ODOR SORB** suitable for a wide variety of applications including:

Janitorial and Institutional

- * Kitchen and Bathroom Cleaners
- * Carpet and Upholstery Cleaners
- * Car Care Products
- * Room Deodorizers
- * Fabric Refreshers

Industrial

- * Truck Washes
- * Paper Mills
- * Sewage Treatment Plants
- * Landfills and Processing Plants
- * Waste Collection Facilities

GENERAL USE

Mix 1-2 ounces of **ODOR SORB** per gallon of cleaner to help control odors and leave a fresh lasting scent. **ODOR SORB** is a neutral chemical and will not affect the cleaning ability or be hazardous to the person mixing the chemical. Mix 2-4 ounces per gallon of cleaner for counter tops and bathroom fixtures to help control odors.

CARPETS

Add 1-2 ounces of **ODOR SORB** to Kemper's **CARPET EXTRACTOR-HP** or **VAMUSE** for odor elimination. Use 4-6 ounces of **ODOR SORB** with Kemper's **Traffic Lane Prespray** or **ATTACK** to help eliminate odors caused by pets, food and where ever odors are present.

ODOR ELIMINATION

Dilute **ODOR SORB** 4:1 to eliminate strong odors caused by smoke, ammonia, fish, garbage cans and dumpsters. This product has been tested to out perform odor elimination products that are on the market.

Please Follow Good Safety
Practices
