

46899 LoCor® HARD WOUND ROLL TOWELS

7" x 600', 1PLY, 6 ROLLS

Nvi® LoCor® hard wound towel products are the commercial industry's first reduced core towel system. Nvi LoCor hard wound roll towels are made from sustainable, virgin Rapidly Renewable Fiber (RRF), which produces a whiter, brighter, softer and greener product. In addition, the small core allows for more product on each roll which will last longer and reduce labor costs through fewer roll changes.

This 7" x 600', 1-ply, fully embossed hard wound roll towel delivers greater strength, absorbency and quality while being economically priced. Nvi LoCor products reduce packaging waste while providing higher capacity where it is needed most – the washroom. The Nvi LoCor hard wound roll towel is truly a superior restroom solution.
