

KLEENEX® COTTONELLE® Jumbo Roll Bathroom Tissue

Softer feel. Smaller footprint.

KIMBERLY-CLARK PROFESSIONAL* continually strives to find solutions which reduce the consumption of natural resources, while delivering the product quality and performance you and your customers know and trust. By optimizing our KLEENEX® COTTONELLE® Jumbo Roll Bathroom Tissue, we've reduced its environmental impact, while giving the product a softer, more comfortable feel.

KLEENEX® COTTONELLE® Jumbo Roll Bathroom Tissue continues to deliver 750 feet of softness with an improved shipping footprint. The new, narrower roll diameter fills pallets and trucks more efficiently. And more product on each truck means fewer trucks on the road. The result: reduced fossil fuel consumption and lower emissions.

At the same time, recent technology developments are helping to make the brand that's famous for softness even softer!
