

Product Specification Document

Lemon Lift

912485

CLASSIFICATION:

Liquid Chlorinated Alkaline Cleaner – Ready to use.

SCOPE:

Heavy Duty Kitchen & Bathroom Cleaner with Bleach. Specially formulated with chlorine bleach to remove even the toughest stains: mildew stains, tea, coffee, juice. Strong surfactants power off soap scum while bleach attacks stains. Two jobs in one step. Product stays on the surface longer, providing better cleaning action – less scrubbing. Its light, lemon fragrance provides a clean, fresh – smelling environment for customers and makes it pleasant to use. This product is not for use as a hard surface sanitizer or disinfectant.

DIRECTIONS FOR USE:

Use in a well ventilated area. Turn nozzle counter clockwise to open. Spray 4 to 6 inches away from surface. Allow contact with surface for 2 to 5 minutes. Wipe and rinse with clean water. For heavily stained surfaces, repeat application. If vapors irritate, move to another area during contact time.

CONTAINS BLEACH: Avoid contact with clothes, fabric, carpeting, wood, aluminum and painted surfaces. Prolonged contact with porcelain may cause discoloration.

For service or additional information, call 1-800-35-CLEAN (352-5326).

PRODUCT INFORMATION:

State	Liquid
Appearance	Amber
Fragrance	Citrus
pH – conc.	12.8 (100%)

Hazard Rating (HMIS)

Health - 2

Fire - 0

Reactivity - 0

STABILITY & STORAGE:

Shelf life of concentrate: 2 Years

Usage Notes:
