

Food Service Program

Maintain a clean and healthy food handling environment

- **Full Line of Cleaners for Food Prep Areas**
- **Letters of Guarantee Available**
- **Over 30 Years Experience**

We understand that your goal is to provide safe and wholesome food products for your customers. Food Safety is our number one priority as it relates to food sanitation programs. We have over 30 years of experience in providing Food Safety Programs for large food processing plants and we would like the opportunity to provide food service establishments like yours those same benefits.

FS Auto Dish Clean -118509

FS Auto Dish Clean is liquid alkaline non-foam cleaner effective in removing starch, protein, fats, and oils. FS Auto Dish clean is designed to be applied using pressure washers, automatic dish washing equipment, manual applications, and automatic floor scrubbers. Recommended for use in food service and food handling areas such as: supermarkets, restaurants, meat rooms, deli, and bakeries. Previously authorized by the USDA in categories A1 and G5. Certified Kosher.

FS Foam Clean-118507

FS Foam Clean is a liquid chlorinated alkaline foam cleaner. FS Foam Clean removes grease, oils, protein, and starch deposits while destaining surfaces. It is an effective general purpose cleaner that features soft metal safety and low odor. Recommended for use in food service and food handling areas such as: supermarkets, restaurants, meat rooms, deli, and bakeries. Previously authorized by the USDA in categories A1 and G5. Certified Kosher.

FS Heavy Clean-118510

FS Heavy Clean is a liquid alkaline high foam cleaner and degreaser. It is effective in the removal of grease and oil, protein soils, and carbonized soils. For use in food service and food handling areas, on floors, walls, cutting tables, trays, and all equipment. It may be applied with foam generators, pressure washers or manual application using a mop, brush, or sponge. Recommended for use in food service and food handling areas such as: supermarkets, restaurants, meat rooms, deli, and bakeries. Previously authorized by the USDA in categories A1 and G5. Certified Kosher.

FS Lime Clean-118511

FS Lime Clean is a concentrated liquid phosphoric acid cleaner. It removes lime scale, hard water and soap films, milk and beer stone, starch, protein soils, and other stains. It is safe on stainless steel, steel, ceramic, and porcelain surfaces. Recommended for use in food service and food handling areas such as: supermarkets, restaurants, meat rooms, deli, and bakeries. Previously authorized by the USDA in categories A1 and G5. Certified Kosher.
