

Diversey

Suma[®]
Special L4
Mechanical
Warewashing
Detergent

Heavy-duty alkaline liquid detergent which is suitable for use in a wide-range of single and multi-tank warewashing machines.

Effective

- Specially formulated to provide excellent soil removal in moderately hard water conditions
- Cuts through grease and dried-on food
- Inhibits scaling of the dishwasher machine in medium water hardness conditions

Cost-Effective

- High concentration gives greater economy in use

Suma® Special L4

Mechanical Warewashing Detergent

Use Directions

- Use 1.0 mL to 2.5 mL per liter (0.128 to 0.32 oz/gal) of water.
- Feed automatically into the dishmachine using a Diversey dispensing system.
- Contact your Diversey representative for correct set up and operating conditions for your operation.
- Store at room temperature and avoid freezing.
- Do not use on aluminum or other soft metals.
- Use as directed by your Diversey representative
- For Food Plant Use: Avoid contamination of food during use or storage.
- Cookware or utensils and other equipment and surfaces subject to direct contact with food must be thoroughly rinsed with potable water prior to re-use.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
