DESCRIPTION

This bio-enzymatic odor digester contains a selection of specialized bacterial strains and chemical cleaners to consume organic soils and destroy odors at their source. Highly effective on urine odors and other organic soils on restroom surfaces, carpet, laundry, and washable fabrics. This product will clean and deodorize more effectively than other ordinary cleaning products and reduce your need for hazardous chemicals such as acids, caustics, and bleach. This product may not be effective in the presence of chemical sanitizers such as formaldehyde or chlorine bleach.

Please read entire container label for detailed instructions and safety information.
