Complete Carpet Care Solutions

Encapsulation Cleaning

Proxi® Encap

PROXI Encap Carpet Cleaner is a powerful, state of the art peroxide based low-moisture maintenance cleaning formula that is capable of tackling heavy soil loads commonly found in carpet. There is no sticky detergent residue left behind to attract additional soil. PROXI Encap Carpet Cleaner is a multi-method carpet cleaner which can be sprayed on and then brushed into the carpet using cylindrical or rotary brush machine, bonnet, or encapsulation equipment. The encapsulation chemistry surrounds each soil particle and crystallizes it so it can't attract other soils. The encapsulated soil particles release from the carpet fiber and are removed by normal vacuuming. Use In: Airports, Hotels, Schools, Hospitals- Up to 5000 Square Feet Per Gallon.
4 oz. – 6 oz. per gallon (3.8 Litre)
4x1 gallon case #11973827

Extraction Cleaning

Enviro Care® Carpet & Upholstery Cleaner

Biologically based, concentrated carpet and upholstery cleaner for use with extraction or spin bonnet cleaning. 2 - 4 oz/gal for extraction cleaning, 8oz/gal for shampoo/spin bonnet.
