18% Floor Finish

DESCRIPTION

This product is a simplified floor finish that provides the end user with an extremely tough and durable high gloss finish. It is formulated to respond to low, high, and ultra high speed maintenance techniques and is self-sealing so fewer products are needed to complete the job. Recommended pads for buffing or burnishing: 175-1500 rpm - Soft white or red pad; 1500rpm+ - White, champagne, or light natural. Keep from freezing.

Please read entire container label for detailed instructions and safety information.
