

GREEN EARTH®

READY-TO-USE PEROXIDE CLEANER

For daily use on floors, showers, glass and other hard surfaces. This one product can clean your entire facility. Removes mold stains and soap scum on tile, grout, bathtub surfaces and fixtures. Contains Hydrogen Peroxide which cleans without the fumes that are normally associated with aggressive acids. Whitens grout, but is less aggressive on clothing and has a longer shelf life than traditional bleach cleaners.

This product is part of Betco's Green Earth® program. Betco's Green Earth® products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance.

Uses

- Hotels
- Health clubs
- Nursing homes
- Restaurants
- Resorts
- Schools
- Office buildings

Performance Benefits

- Cleans and whitens tile and grout surfaces without aggressive acids or bleach. Will not damage clothing like traditional bleach cleaners.
- Removes mold stains and soap scum from a variety of bathroom surfaces.
- Deodorizes with a pleasant scent.

Environmental Benefits

- Non-corrosive and non-fuming.
- No nonylphenol ethoxylates or 2-Butoxyethanol.
- Low skin, eye and respiratory irritation.
- All ingredients are readily biodegradable.

Properties

Color	Colorless
Fragrance	Fresh Mint

Directions For Use

Read the entire label before using this product.

SHOWERS: Spray on tile, grout, fixtures, tub surfaces. Let stand for 5 minutes and rinse. **FLOORS:** Add directly to grout scrubber or other restroom cleaning machine for removal of mold stains, soap scum, hard water deposits, or other common restroom soils. **GLASS/MIRROR CLEANER:** Dilute 2 oz./gallon. Spray onto glass/mirror surface and wipe with a lint free towel or squeegee. **CARPETS:** Apply a small amount of liquid to the stain. Let stand for 3 - 5 minutes before extracting. Always test first in an inconspicuous area.

Safety

Keep out of reach of children. For institutional and commercial use. **CAUTION: SKIN AND EYE IRRITANT.** Contains Hydrogen Peroxide. Avoid contact with eyes. Wear safety glasses and gloves. **FIRST AID: IF ON SKIN:** Flush with large quantities of water. **IF IN EYES:** Flush with a steady gentle stream of water for 15 minutes. **IF SWALLOWED:** Do not induce vomiting. Seek immediate medical attention. **IF INHALED:** Remove person to fresh air.
