Quality products for everyday needs.

## Quarry Tile Cleaner

### DESCRIPTION

This product is a highly concentrated blend of mild acidic detergents, wetting agents, soil suspenders, and water conditioners. It effectively removes heavy grease, soap scum, grime, and mineral accumulation associated with areas where quarry tile is used. By suspending greasy soils and floating them to the surface, Quarry Tile Cleaner is able to penetrate porous surfaces providing deep cleaning action resulting in improved traction.

Please read entire container label for detailed instructions and safety information.

### DIRECTIONS

1

**Wear safety glasses & gloves**
