

Non-Butyl Foaming Degreaser

DESCRIPTION

This labor-saving product forms a thick, stable foam that clings to vertical surfaces when applied through a "foam gun" apparatus. A longer contact time will allow this product to easily remove grease, oil, fat, dirt, and grime from virtually all washable surfaces. Versatile and economical, this product is also an effective cleaner/degreaser when applied by more conventional means such as trigger sprayer, mop, or pressure sprayer.

Please read entire container label for detailed instructions and safety information.

DIRECTIONS

-  **1** Wear safety glasses & gloves
Usar gafas de seguridad y guantes
-  **2** Use 2 oz of product per 1 gallon of water
Usar 2 oz de producto por 1 galón de agua
