

# Zorba®

## Absorbent Control Strip

---

**A highly absorbent, disposable strip that can be used to control leaks and spills in a wide range of application areas.**

### Effective

- ▶ Absorbs large amounts of liquids in rapid time helping to reduce the risk of slip and fall accidents
- ▶ Controls spills temporarily to minimize damage and reduce hazardous condition

### Versatile

- ▶ Use to control stripper solution, absorb condensation and many other applications
- ▶ Wide range of applications includes refrigerator leaks, floor stripping, kitchen cleaning, restroom cleaning, window cleaning, swimming pool cleaning and hospital room cleaning

### Easy-to-Use

- ▶ No special training or equipment required

---

### Designed For

- ▶ Health Care
- ▶ Food Service
- ▶ Education
- ▶ Lodging

# Use Overview

**Zorba® Absorbent Control Strip** is a super absorbent strip used to contain spills prior to cleaning, minimize damage from leaks or control floor stripping chemical solution.

- ▶ Pierce and remove perforations for handle and dispensing sections.
- ▶ Remove adequate amount of strip for application from carton and tear at perforation.
- ▶ Place strip at base of leak/spill or where an effective barrier is required.
- ▶ Remove strip when fully saturated (typically 16–36 hours for refrigerator leaks) or application is complete.
- ▶ Dispose of used/saturated strip in a suitable container.

**Note:** The **Zorba® Absorbent Control Strip** is not designed to be re-used. The **Zorba® Absorbent Control Strip** is designed to absorb aqueous liquids. Store carton in a dry area.

## Product Specifications

| Description                    |   |
|--------------------------------|---|
| <b>Absorbency</b>              | 68 oz. (2 liters) / 2 ft segment                  |
| <b>Core Composition</b>        | Super Absorbent Polymer/<br>Cellulose Fiber Blend |
| <b>Outer Strip Composition</b> | Non-woven<br>(70% Polythene – 30% Rayon)          |
| <b>Width of Core</b>           | 3.35 inches (85 mm)                               |
| <b>Width of Strip</b>          | 4.13 inches (105 mm)                              |
