Cleaning Products

SPRAY NINE®

The most versatile tool in your cleaning arsenal! Spray Nine's professional-strength cleaning power has been trusted by millions of professionals and consumers for over 50 years. Spray Nine works hard to remove all types of dirt, grease, grime and stains.

One Product, NINE Uses!

1. Cleans
2. Degreases
3. Disinfects against viruses in 30 seconds
4. Disinfects against bacteria in 45 seconds
5. Sanitizes in 10 seconds
6. Kills fungus in 3 minutes
7. Deodorizes
8. Controls mold and mildew
9. Removes stains

Disinfecting

Spray Nine features a quaternary ammonium compound that sanitizes and disinfects hard, non-porous surfaces. Spray Nine also helps control mold and mildew growth and destroys bacterial odors. Sanitizing surfaces means killing 99.9% of bacteria present. Spray Nine sanitizes hard, non-porous surfaces in just 10 seconds. For a more complete germ kill, Spray Nine disinfects hard, non-porous surfaces by killing 99.999% of the following germs:

- Cleans - Tackles the toughest tasks head-on with less scrubbing
- Degreases - VOC compliant; replaces heavy solvent degreasers
- Disinfects - Kills germs and helps control mold and mildew; EPA registered (#6659-3)
- NSF Cw-1 Rated

Spray Nine Kills*
