- ▶ Leaves the surface clean and shiny
- ▶ Resists finger marks and water spotting to maintain a polished appearance longer
- ▶ Ideal for use on refrigerator doors, handles, trolleys and dishwashing machines

---

### Designed For

- ▶ Health Care
  - ▶ Food Service
  - ▶ Education
  - ▶ Lodging
- 

# Use Overview

**Suma® Inox D7 Stainless Steel Polish** is an oil-based, ready-to-use polish for use on stainless steel non-food contact surfaces and other metal surfaces, such as brass and copper. Ideal for use on refrigerator doors, handles, trolleys and dishwashing machines. Leaves the surface clean and shiny.

- ▶ For use on stainless steel, brass, aluminum, and other polished metals.
- ▶ Do not use on glass, clear plastics, or heated surfaces.

## Use Directions

- ▶ Dispense product onto a clean wiping cloth or paper towel.
- ▶ Wipe the surface, turning the cloth or towel frequently.
- ▶ Polish to a bright shine. For extremely heavy soils, a second application may be necessary.
- ▶ Not for use on food contact surfaces.

## Storage

- ▶ Do not store in food processing or food storage areas.
