-

Use Overview

Pan-Clean™^{M/MC} General Purpose Pot & Pan Detergent is for use on all types of food service ware. It is specifically formulated for handwashing of pots, pans, utensils, glassware and other equipment.

- ▶ Dilute product according to label directions for specific applications. Soak pots, pans, utensils, glassware and other equipment for 5 to 10 minutes.
- ▶ Carefully handle knives and other sharp objects. Brush to remove grease and other food soils using a plastic brush or scrubbing pad.
- ▶ Rinse thoroughly with potable water. Sanitize with an appropriate Diversey sanitizer according to label directions.
- ▶ Air dry on drainboard.
- ▶ Change the detergent solution, rinse water and sanitizing solution frequently to keep them clean and effective.
- ▶ Before using this product, food products and packaging materials must be removed from the area or carefully protected. Avoid contamination of food contact surfaces. After using this product, all surfaces cleaned must be thoroughly rinsed with potable water.

Product Specifications

Description
