

Deb® AntiBac FOAM Wash

A unique, **pleasantly perfumed** antibacterial foam hand wash with Triclosan to cleanse the skin and kill bacteria

Usage: Use after visiting the washroom/toilet and as required at other intervals. Ideal for general industry, healthcare, schools, manufacturing and office environments.
Method of Use: Apply foam to dry hands, spread well and rinse thoroughly with clean running water. Wipe dry with disposable paper towels.

Features & Benefits

Superior Formulation - A high-quality anti-bacterial formulation providing effective protection from most common bacteria.

Pleasant to Use - Rich, mild, creamy foam hand wash with Triclosan which leaves hands feeling soft and smooth after use.

Pleasantly Perfumed- Suitable for frequent use in any office or public washroom.

Saves Water - Instant foam lather can be applied direct to dry hands before rinsing, saving approximately 45% of water consumption.*

Quick Rinsing - Rinses easily from the skin leaving no soapy residue on hands or in sinks.

Highly Economical - Provides over 1400/2800 hand washes from each 1 liter/2 liter cartridge.

Biodegradable - Conforms to international standards of biodegradability.
