

Soft Care Defend™/MC Liquid and Foam

Antibacterial Handwash

Soft Care Defend™/MC is an effective, mild, antibacterial soap. This unique product combines the caring aspect of a gentle on skin cosmetic with antiseptic properties. Formulated with chloroxylenol (PCMX), Soft Care Defend™/MC is effective at removing soils, rinses quickly and leaves no residue on skin.

Features & Benefits

- Safe, quick and effective formulation helps reduce cross-contamination
- Mild on skin, avoiding excessive cracking and dryness for even the most frequent users
- NSF E-2 certified for use in food handling establishments
- Formulated to ensure excellent removal of soil
- Skin compatibility (Patch) tested

Applications

- Excellent choice for use in healthcare and food handling establishments when an antibacterial hand wash is required

(Foam Only)
