

Pro Strip™

Floor Stripper

A professional strength stripper designed for the removal of “tough to strip” finishes and sealers.

Reduces Labor

- ▶ Fast penetration of UHS burnished finishes and sealer layers
- ▶ Designed to work the first time to reduce “restrrips”

Low Odor

- ▶ Butyl-free
- ▶ Reduces facility complaints regarding floor stripping odors

Versatile Problem Solver

- ▶ Works in cool water
- ▶ Variable dilution rate to match the job

Designed For

- ▶ Healthcare
 - ▶ Education
 - ▶ Retail
 - ▶ BSC
 - ▶ Government
-

Use Overview

Pro Strip™ Floor Stripper is a powerful, fast-acting stripper that begins to emulsify most finishes upon contact, reducing normal soak times and removing multiple layers of finish with fewer passes. Can be applied on VCT, terrazzo and concrete floors.

- ▶ Dilute **Pro Strip™ Floor Stripper** 1:4–1:6 with cool water for removing a heavy build-up of floor finish (ultra high speed). Dilute **Pro Strip™ Floor Stripper** 1:8–1:10 with cool water for removing a light build-up of floor finish (conventional).
- ▶ Apply liberal amounts of solution uniformly to floor with a mop. Start with the edges to give them more soak time. If splashing occurs, wipe off surfaces with a clean rag dampened with water.
- ▶ Let stripper solution soak for 5–10 minutes. Mop agitate to loosen finish. Re-wet as necessary, do not allow solution to dry on floor. Longer soak times may be necessary in cases of extreme buildup.
- ▶ Hand or machine scrub thoroughly using black pads or stripping brush.
- ▶ Pick-up all of the solution with a clean mop, wet vac or automatic scrubber.
- ▶ Mop up any “tracks” left by wet vacs or automatic scrubbers before they dry.
- ▶ Let floor dry completely before applying floor sealer or finish.

Product Specifications

Description	
Color/Form	Colorless liquid
Dilution	1:4–1:6 (Heavy Build-up) 1:8–1:10 (Light Build-up)
Flash Point	> 200° F (> 93.4° C)
pH	13.4 (Concentrate) 13.0 (Dilution, 1:4)
Scent	Cherry Almond
Shelf Life	2 years
Solubility	Complete
Specific Gravity	1.06

Hazard Rating

HMIS		NFPA
3	Health	3
0	Flammability	0
0	Reactivity	0

4=Very High; 3=High; 2=Moderate; 1=Slight; 0=Insignificant.

Available Items

Product Code	Description/Package Size	Dilution
5032351	4 x 1 gallon / 3.78 L Containers	1:4–1:10
5032360	1 x 5 gallon / 18.9 L Envirobox™/MC	1:4–1:10

Safety Reminder

Please make sure your employees read and understand the product label and Material Safety Data Sheet before using this product. The label contains directions for use, and both the label and MSDS contain hazard warnings, precautionary statements and first aid procedures. MSDS are available on-line at www.diversey.com or by calling 888 352 2249.
