Fresh Traction Wash

DESCRIPTION

Fresh Traction Wash is a 2 in 1 Cleaner and Fresh Digester for odor free floors and grout. This product increases traction and luster for worry free floors. Kitchen floors require special attention due to the types of soil they are exposed to. Animal fats and vegetable oils along with the normal tracked-in daily dirt cause kitchen floors, to become slippery and hard to clean. Fresh Traction Wash does it all - a heavy duty cleaner with a neutral pH incorporating both enzymes and live bacteria to clean the floor and then continue working to consume any remaining organic soil.

Please read entire container label for detailed instructions and safety information.

DIRECTIONS

- 1** Wear safety glasses & gloves
Usar gafas de seguridad y guantes
- 2** Add pack contents to 3-4 gallons of water
Agregue el contenido del paquete a 3-4 galones de agua
