RD - HD Degreaser

DESCRIPTION

A special compound liquid chemical concentrate which combines the emulsifying and wetting powers of a detergent with the strong dissolving powers of a safe, nonflammable solvent. It is most effective for dissolving heavy deposits of oxidized waxes and polymers, thick layers of built up grease, baked on deposits of carbon, soot, gums, oils, inks, dyes and hard soap scum. Where used: Newspaper Printers, Lithographers, Bakeries, Distilleries, Food Processing Plants, Schools, Hospitals, Metal Stampers.

Please read entire container label for detailed instructions and safety information.
