

# INGREDIENT DISCLOSURE STATEMENT

## Victoria Bay Solid Silversoak

| <b>Component</b>  | <b>CAS</b>  | <b>Function</b>                                       | <b>Regulatory Notes</b>              |
|---|-------------|---|--------------------------------------|
| Water   | 7732-18-5   | Solvent   |                                      |
| Sodium Carbonate  | 497-19-8    | Builder, Buffer                                       |                                      |
| Pentasodium Triphosphate                                    | 7758-29-4   | Builder, Chelating Agent                              |                                      |
| Sodium Silicate   | 1344-09-8   | Buffering Agent, Corrosion inhibitor, chelating agent |                                      |
| Benzenesulfonic Acid, C10-16-Alkyl Derivs.                  | 68584-22-5  | Surfactant  |                                      |
| Nonoxynol 4-40  | 127087-87-0 | Surfactant  |                                      |
| Benzene, C10-16-alkyl Derivs                                | 68648-87-3  | *   |                                      |
| Sulfuric Acid   | 7664-93-9   | *   |                                      |
| Dinonylphenyl Polyoxyethylene                               | 9014-93-1   | Surfactant  |                                      |
| Polyethylene Glycol   | 25322-68-3  | Binder, Lubricant                                     |                                      |
| Glycol Ethers   | Proprietary | Solvent   |                                      |
| Sulfur Dioxide  | 7446-09-5   | *   | Prop 65 - Developmental              |
| 9-(2-Carboxyphenyl)-3,6-bis(diethylamino)xanthyliumchloride | 81-88-9     | Colorant  | Prop 65 - Carcinogen                 |
| Acetic Acid   | 64-19-7     | pH Adjuster, Descaler                                 |                                      |
| 1,4-dioxane   | 123-91-1    | *   | Prop 65 - Carcinogen                 |
| Ethylene Oxide  | 75-21-8     | *   | Prop 65 - Carcinogen / Developmental |
