Let your imagination travel when it comes to uses for C&M's beautiful and unique line of trays and oblongs. Imagine you're a major airline that wants engraved sandwich oblongs of our advanced C-Fine™ material with unsurpassed insulation, plus very low cubes. Or maybe you're a large restaurant chain looking for just the right tray for your new Panini Sandwich, or a Fast Food chain thinking of a divided breakfast tray with fog free vented and stackable divided high dome lid? C&M has those and more. And if you want an unusual color or lamination, we've got all you can imagine. In fact, we can't think of anyone who offers you more choices when it comes to variety trays and oblongs than C&M.
