

Concentrate 1:20

DEEP BLUE CONCENTRATE 1:20

Ammoniated Glass Cleaner

The perfect cleaning product for many surfaces. Economical, this concentrated product was designed to be diluted with 20 parts of water to make a commercial grade ready-to-use glass cleaner. Not only does it quickly penetrate dust, smoke, grease and grime on all glass and window surfaces, but it is also excellent for cleaning stainless steel, formica, plastic, porcelain and chrome. Great for all hard surfaces. Nonstreaking and nonsmearing. Surfaces stay cleaner longer. Fortified with ammonia and several grease cutting surfactants for extra cleaning power.

Uses

- Appliances
- Chandeliers
- Chrome
- Formica®
- Mirrors
- Painted surfaces
- Plastic
- Refrigerators
- Showcases
- Stainless steel
- Vinyl
- Non-tinted Windows

Benefits

- Cleans and brightens all hard surfaces.
- Advanced formula is fortified with ammonia and contains no abrasives.
- Dissolves smoke, grease, smudges and filth.
- Convenient and easy to use. Just spray it on - wipe it off. Leaves no smears, smudges or streaks.
- Meets or exceeds current California VOC requirements, and dilution for applicable category.
