Non Ammoniated Floor Stripper

DESCRIPTION

This product is an aggressive stripper designed to liquefy multiple coats of floor finish without ammonia. Perfect for any resilient tile or stone floor, this product also dissolves layers of dirt and crud making it the ideal edging tool as well. Strip even the toughest floors without the need for a floor machine or excessive scrubbing. This product is fast and easy to use. Simply apply with mop or through an automatic scrubber, allow it to sit for 10-15 minutes, agitate if needed and pick up the slurry.

Please read entire container label for detailed instructions and safety information.
