description

Elevation

The Tork Xpress Countertop Interfold-Multifold Hand Towel Dispenser is a stylish countertop towel dispenser that adds a hygiene, upscale touch to restaurant restrooms. The dispenser utilizes a unique folded towel system with fully enclosed towels that delivers only one towel at a time, minimizing the risk of cross contamination while reducing waste and refilling expenses. The dispenser's attractive space-saving design is more appealing and less wasteful than a stack of loose towels, keeping countertops neat and creating an inviting impression. The Xpress Countertop Dispenser features a smooth surface for optimum hygiene, quick check refill level indicator, easy access buttons for fast refills, the overfill protection and spring-loaded bottom improve dispensing and the anti-slip pads keep dispenser in place. Replaces 301084A. Also available in Black 302028, Stainless Steel 302030.
