Acid Tile & Grout Cleaner

DESCRIPTION

This product is a hydrochloric acid blended with an outstanding detergent system to provide the deepest, most thorough cleaning of tile and grout. It is perfect for removing heavy deposits, grease and multiple layers of soil. Acid Tile & Grout Cleaner not only attacks and releases the soil from floors but holds that soil in suspension for easy and full removal.

CAUTION: This product contains hydrochloric acid. Never mix with any other chemical or cleaning agent.

Please read entire container label for detailed instructions and safety information.
