

Handi-Fresh™ 800 ml Liquid Antimicrobial Soap

Broad-spectrum antimicrobial hand soap. Decreases bacteria on the skin and reduces risk of cross contamination. Contains surfactants, stabilizers and conditioning agents.

Item Description:

Handi-Fresh™ antimicrobial cleanser helps eliminate bacteria and other infectious germs and helps to prevent cross-contamination. Ideal for use in healthcare and foodservice facilities, this germ-fighting cleanser contains skin conditioners to prevent dry, damaged skin resulting from frequent hand washing. These convenient, economical bag-in-a-box units fit into easy-to-use dispensers for a clean, cost-effective alternative to expensive, messy bar soaps and low-quality liquid/powder soaps.

Features & Benefits:

- » *Convenient bag-in-a-box design loads quickly and provides a lower waste and maintenance alternative to bar or bulk soap*
- » *Designed to be used with quick mounting, easy-to-use Handi-Fresh (or compatible) dispensers*
- » *Antimicrobial agents fight infectious germs and helps prevent cross-contamination, making it ideal for healthcare facilities*
