

Incredi-Bowl™

M4800 Series

VISIBILITY AND MERCHANDISING

Internal anti-fog and vented lid to provide greater visibility of food and improved order accuracy.

REUSABLE AND RECYCLABLE

Made from durable, cut-proof polypropylene. Consumers can reuse the container again and again. Recycle after months of use. Dishwasher and microwave-safe.

HEAT-TOLERANT

Bowl and lid can withstand temperatures of up to 230° F when used under heat lamps, in warming units, or in the microwave. No off-odors or off-flavors that can sometimes come from other food containers during the heating process.

SECURE SNAP CLOSURE

Leak-resistant, providing security, eliminating spills when transporting, and ensuring freshness.

FLEXIBILITY

Available in 5, 8, and 10 oz capacities, all with 1 matching vented lid. Suitable for any hot or cold side dish or sauce.
